**RE: ELECTION FRAUD/AIDING & ABETTING OF JUDICIAL CRIMES TO HARM
FAMILIES/HONEST SERVICE FRAUD BY NAMED DEMOCRATS, PLUS ALL
EXISTING MEMBERS OF THE U.S. CONGRESS & THEIR RESPECTIVE PARTIES**

To All,

Serious crimes have been taking place in U.S. Courts throughout this country causing a major Holocaust like situation besides many other crimes by the U.S. Congress. A letter was sent to Congresswoman Speier and many others on Election Day as she and twenty year political stooge Congresswoman Eshoo ran quiet elections not even appearing on TV election results trying to cover-up the fraud related to their seats. They along with Senator Feinstein just committed election fraud. Meg Whitman & Carly Fiorina are aware of frauds to their campaigns in 2010 by Governor Jerry Brown and Senator Boxer during major exploding California judicial corruption. Meg Whitman please inform her.

These frauds and crimes have been covered up by major media for years. Media also has liability and responsibility to the harm perpetrated against the American people because Freedom of the Press has been denied. Some media covering this situation are Hardball with Chris Matthews, Anderson Cooper, Geraldo Rivera, Bob Woodward of the Washington Post and many others plus local media in the San Mateo County area. The cover-up will stop NOW! Many Americans are being denied their freedoms, rights and justice daily from this massive corruption.

In addition the U.S. Congress has been committing major treason during times of war by allowing this tyranny and barbarism. U.S. Court and government corruption is so heinous and out of control harming millions of American families by Senators and Congresspersons turning a blind eye. These parties are dissociative whacko's who do not report these crimes. Honest Service Fraud exists in two ways. #1 – The U.S. Congress has had no jurisdiction to the U.S. Court system from a firewall. This firewall only allowed rampant organized crime/mafia/terrorism both domestic and foreign and tremendous crimes to occur by their turning a blind eye, they do not represent their communities, states or the American people completely in the structure of the U.S. Congress. #2 - U.S. Courts have such tyranny taking place to rob property, steal children, violate American rights and laws plus take American families hostage for years to be brutalized and traumatized in charades in these kangaroo courts of corruption. Emotional Trauma has become a weapon of choice to cause physical injuries, chronic victimization and death which are genocide and terrorism. Judicial Regulatory agencies were broken down badly under the Bush Administration. Bar Associations, even F.B.I., along with other agencies to make them inoperative or major organized crime racketeering agencies. An honest service fraud exists while counties and states harm and rob the American people. Fraud also exists by the Federal Election Committee and by the Republican/Democratic Parties. Payoffs and bribes are rampant.

President Obama and Attorney General Holder are aware of this treason. Since it was not shared during the 2012 Election instead of a broken lame duck Congress coming back into office its time to oust many of these traitors. Pelosi, McCain, recently re-elected 25 year New Jersey stooge Menendez, Reid, Lautenberg, Schumer and many others must be immediately removed from office. I seek indictments on all parties. Its time these lowlifes are dethroned! Age and term limits must be implemented instead of paid off fat cat cronyism. The buck stops here!

I seek my own freedom, my American rights be honored along with that of many children and families, I've supported immediately. The U.S. Government will make settlements with each party being freed as a Redress of Our Grievances as under the 1st Amendment of the U.S. Constitution. FREE THE AMERICAN HOSTAGES, the many countless American victims held hostage in courts of corruption. My story is on my corruption website named above.

President Obama better take immediate action or I request the Koch Brothers bring Mitt Romney back in to challenge him. Crooks must be removed from their positions and the American people better get the United States back as an American country, NOW! Let's see some action, Mr. President! Put down the ham sandwich, this baloney ends now Attorney General Holder!

Thank you,
Cheryl Kennedy
